

October 19, 2012

Congratulations on Recon Roofing's acceptance as a member of 3C Network which will connect your business to a suite of technology and business services designed for progressive roofing contractors.

The enclosed Welcome Pack starts you off with a:

- Backpack to encourage using 3C's web-based services wherever your business takes you
- 3C Network membership plaque that distinguishes your roofing company's commitment to higher standards and best practices
- Detailed safety manual to put in force

Highlights of your membership benefits include:

- Powerful roofing management software – free, unlimited and web-based
- Extended limited warranties that give your business the edge without all the stipulations
- Inspection and estimating tools that incorporate discounted aerial CAD measurements
- Online Training and Certification Programs
- Sales leads and more

We are committed to serving you and helping your business fully leverage 3C Network's technologies and business services "engine" to help steer your sales and drive your business in today's competitive, fast-paced reality. Your account team and support services can be reached at 1-855-3C-MEMBERS (1-855-326-3623).

Let's roll!

Sincerely,

Your 3C Network Member Services Team
