

Decra Stone Coated Steel Style & Color Chart

Metal Roofing Isn't What it Used to Be

As the original stone coated steel roofing system, the DECRA® product line represents a perfect blending of 50 years of research and practical experience. Offering the ultimate in performance and engineering design is what DECRA Roofing Systems are all about.

Manufactured using the finest lightweight aluminum-zinc alloy coated steel, covered with 3M ceramic coated stone granules and sealed with our exclusive polymer coating, DECRA Roofing Systems are the most beautiful, durable and trouble-free roofs available today.

Classic Beauty of Handsplit Wood Shake

DECRA Shake XD offers the classic beauty and architectural detail of a thick, rustic, handsplit wood shake combined with the superior performance and longevity of steel. Shake XD™ is lightweight, durable and provides safety and security beyond other roofing products. The steel Shake XD™ panels support foot traffic and will not crack, split, curl or break like traditional wood shakes.

Antique Chestnut

Pinnacle Grey

Classic Elegance of Old World Barrel Tile

Villa Tile combines the superior performance of steel with the classic beauty, elegance and architectural detail of an old world Italian tile. Durable and lightweight, Villa Tile is walkable and requires little to no maintenance. Available in five new color variations, you have the opportunity to design and create a roof that satisfies your tastes and needs.

Villa Tile Color Blends

Upscale Design of a Dimensional Shingle

If you are looking for the upscale design of a dimensional shingle, DECRA Shingle is the choice for you. DECRA Shingle offers a classic look that features a traditional distinctive style, reinforced with the strength and longevity of steel. Available in a variety of natural earth tone colors, these colors incorporate a subtle natural shadow, which enhances the richness and detail of the roof.

Architectural Shingle at a Fraction of the Weight

DECRA Shingle Plus has the rich bold appearance of a heavy-weight architectural shingle at a fraction of the weight. With its increased edge thickness and deep distinctive shadow lines, DECRA Shingle Plus provides greater dimensionality and a robust appearance. This profile adds wonderful appeal to traditionally styled homes and is ideal for those who prefer the look of heavy-cut shingles.

Distinctive Beauty and Richness of Cedar Shake

DECRA Shake is the ideal roof. It offers the distinctive beauty and richness of cedar shake, while providing the durability and longevity of stone coated steel. This superior product is available in a diverse range of colors guaranteed to complement any color scheme. From Granite Grey to Sea Green and Chestnut to Weathered Timber, these hues will enhance your roof for years to come.
